Pattern:

This scarf is knit flat on straight knitting needles. If you'd like to alter the width, cast on a multiple of 4 plus 3 stitches.

Cast on 31 stitches.

Row 1: K1; *K2, P2; repeat from * to last two stitches; K2.

Row 2: K1; *P2, K2; repeat from * to last two stitches; P1, K1.

Repeat rows 1 and 2 until scarf measures 72 inches (or 36 inches folded in half). This will take just under 3 hanks of the yarn, leaving enough for finishing.

Cast off in pattern.

Fold scarf in half and sew together the cast on and cast off ends to form an infinity scarf.

Weave in all loose ends.
